Genesis 9:18-23

¹⁸ The sons of Noah who went forth from the ark were Shem, Ham, and Japheth. (Ham was the father of Canaan.) ¹⁹ These three were the sons of Noah, and from these the people of the whole earth were dispersed. ²⁰ Noah began to be a man of the soil, and he planted a vineyard. ²¹ He drank of the wine and became drunk and lay uncovered in his tent. ²² And Ham, the father of Canaan, saw the nakedness of his father and told his two brothers outside. ²³ Then Shem and Japheth took a garment, laid it on both their shoulders, and walked backward and covered the

nakedness of their father. Their faces were turned backward, and they did not see their father's nakedness.

Genealogies

Genesis 10:1

Genesis 5 – Adam to Noah

Genesis 11 – Noah to Abram

1 Chronicles 1 – from Adam to Abraham

Luke 3 – from Jesus back to Adam

Detailed ages

This gives us an understanding when these things transpired

Genesis 5 – Adam to Noah = 1000 yrs

Genesis 11 – Noah to Abram = 1000 yrs

Matthew 1:17 – (14 generations) Abram to David = 1000 yrs

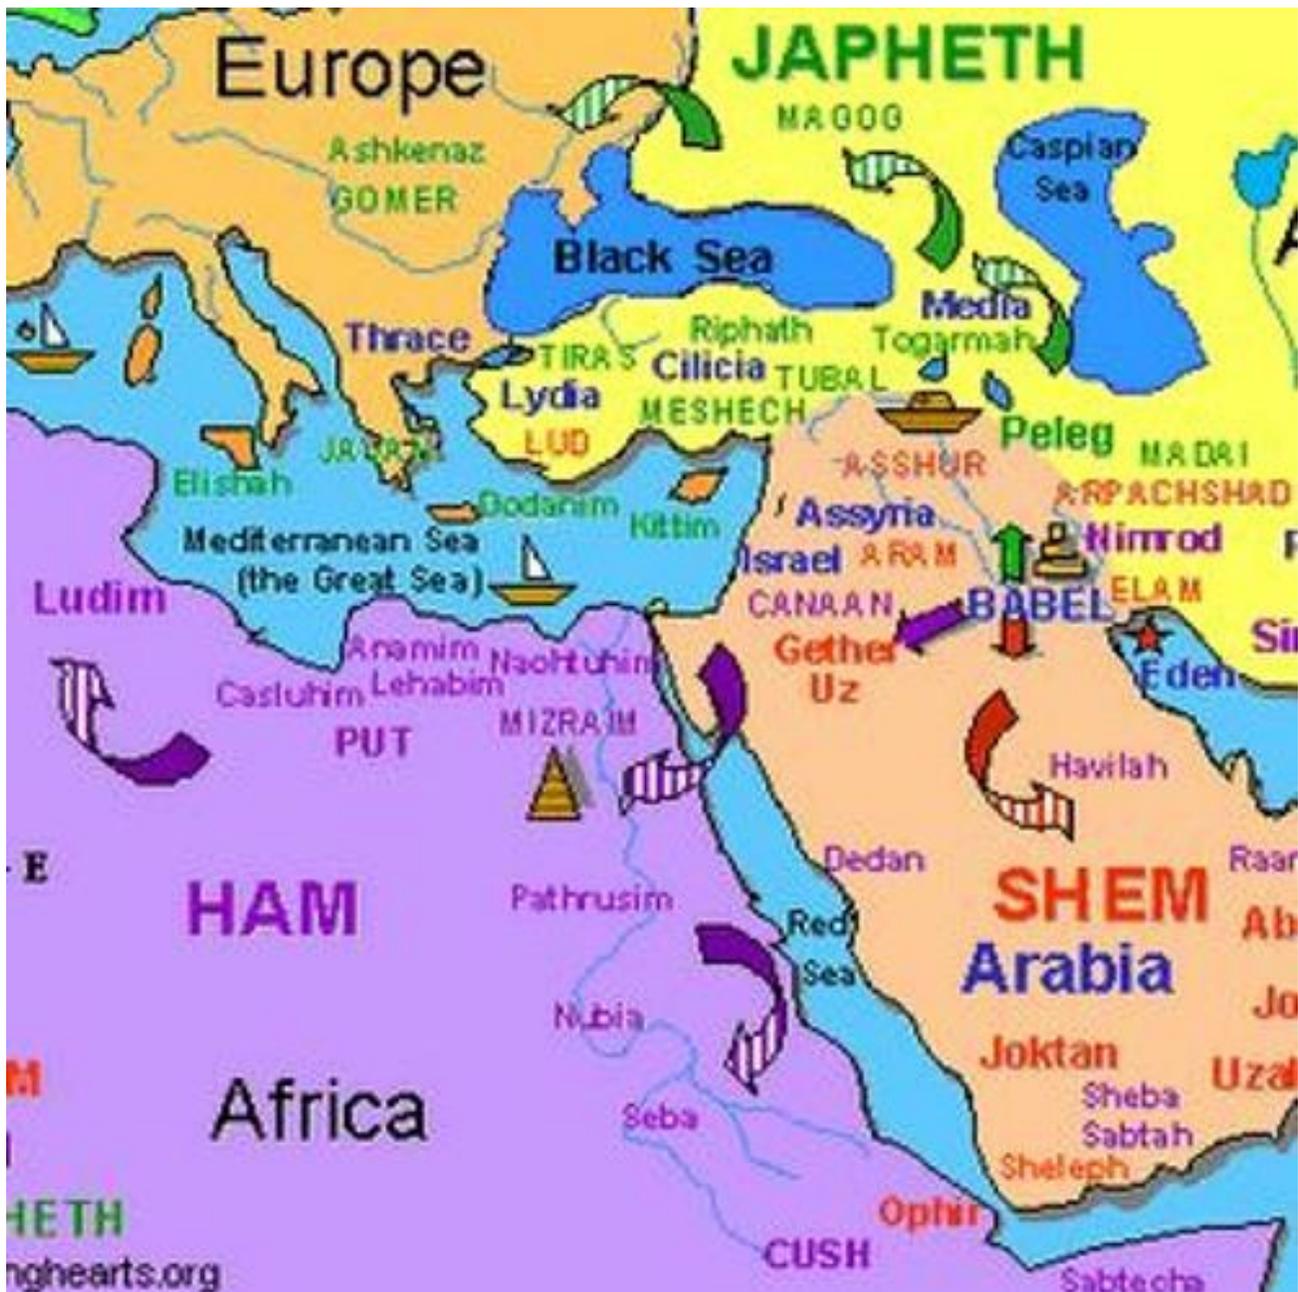

Matthew 1:17 – (14 generations) David to Jesus = 1000 yrs

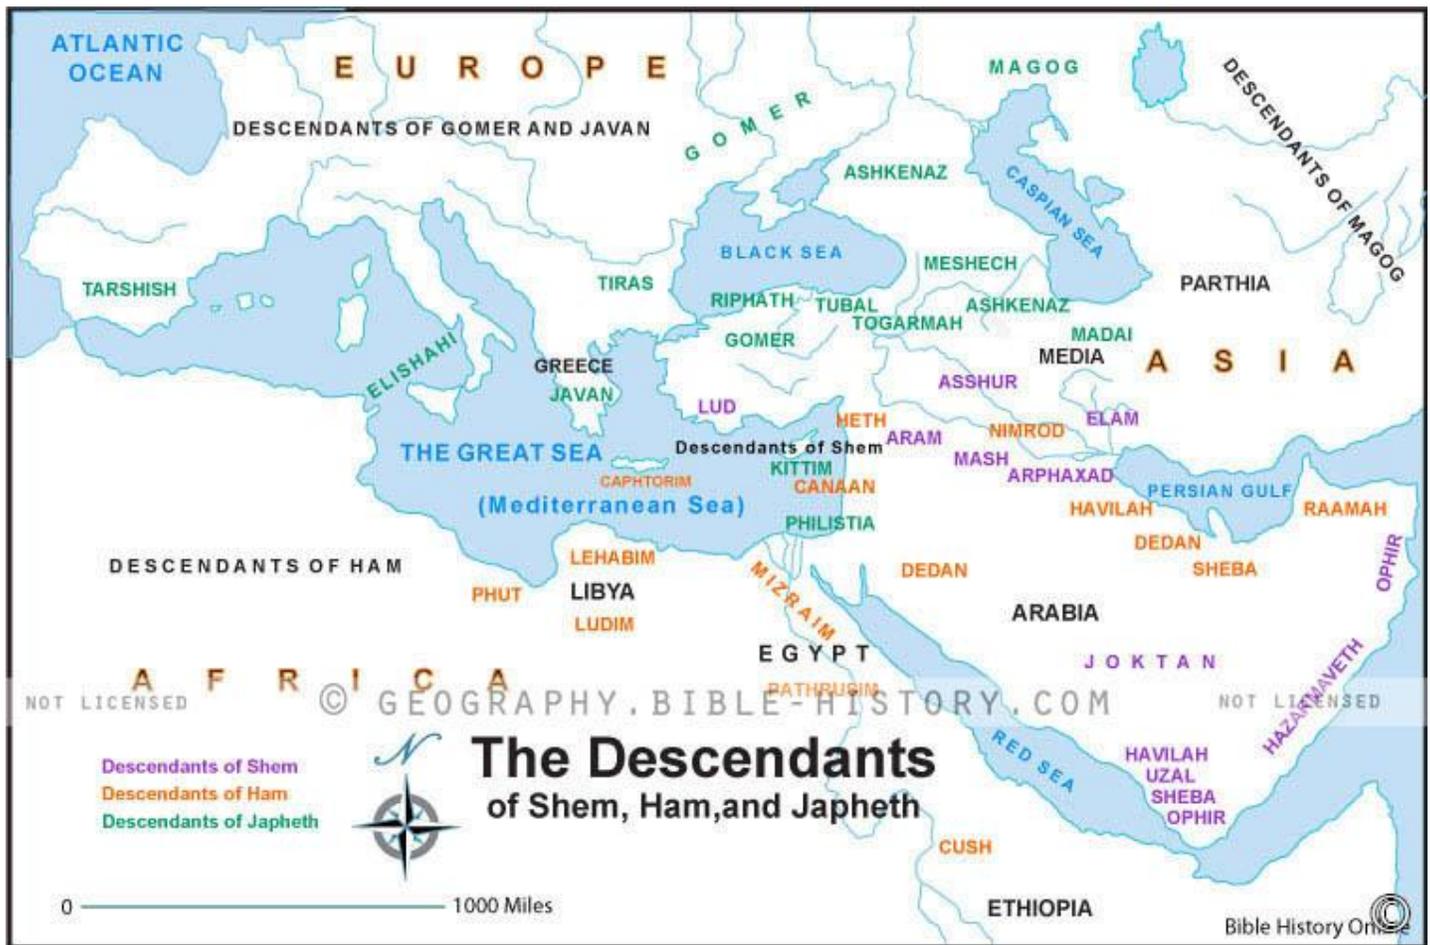

Jesus to present – 2000 yrs.

- Consider these 1000 yrs in terms of days of creation
- (6 days, then on the 7th – rest)
 - Many scholars, looking at the probable birth of Christ, the age at the death of Christ have considered that the millennial may happen in 2029.
 - Take out 7 years for the rapture of the Church - 2022

Languages confused: the Tower of Babel Genesis 11

Genesis 11:7-9

⁷ Come, let us go down and there confuse their language, so that they may not understand one another's speech." ⁸ So the Lord dispersed them from there over the face of all the earth, and they left off building the city. ⁹ Therefore its name was called Babel, because there the Lord confused the language of all the earth. And from there the Lord dispersed them over the face of all the earth

- Today, more than 6500 languages exist worldwide. While many of these languages were developed after the Tower of Babel, they can be traced to different linguistic roots. The languages that exist today still serve as a dividing point in culture. These divisions have existed since the Tower of Babel in the time of Peleg.
- 142 language families
- There are three main language families: Proto language
 - **Indo-European** (*Includes English*)

The serpent and the woman

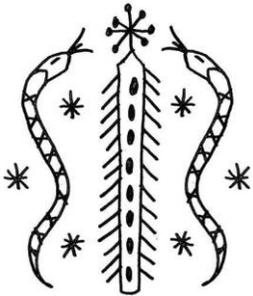

Danbhalah and Aida Hwedo (Danbala and Ayida Wèdo) The divine serpent and the rainbow-- "male and female" respectively. They are **wisdom** "incarnate", if they were flesh and bones. Their powers reside in the domain of knowledge. They are healers represented in the Egyptian and Western (European) caduceus, the symbol of medicine.

The twins

Maraca Dosou/Dosa (Marasa) The Children, the Primordial Couple, the Twins. Their representation is found throughout the African continent. In Yorubaland in Nigeria, they are the "Ibeji." The name Maraca derives from the peoples of the Congo basin, where the name is "Mapasa." The Twins are "completed" by the next child, the dosou (male) or dosa (female) whose powers are conflated with the original pair, $1+1=3$

Moses

Last week I spoke of the over 270 stories from every continent of the global flood. Even the Native Americans have the legend of Waymaboozoo and the great flood. it begins:

“Long ago the world was filled with evil. Men and women lost respect for each other. The Creator was unhappy about this and decided to cause a great flood to purify the earth.”

Lineage of the Promised One

Genesis 11:10-32

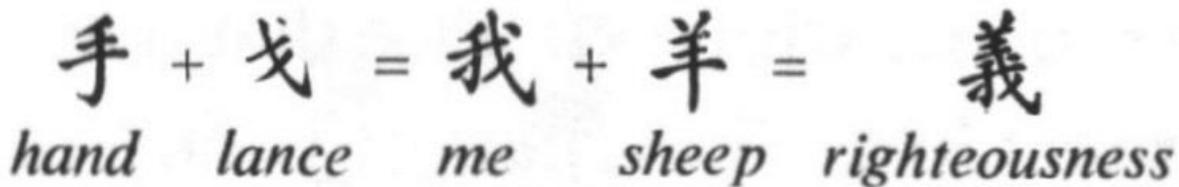

- This series is on the beginnings and betrayals.
 - It is also on the Blessing of God

- God has promised from the beginning, though there is betrayal that He would keep His promise to make a way through the descendants of Adam there would come one to defeat death and sin.

God continues the blessing through Shem.

- We see through the genealogies that I showed earlier that it is from the line of Shem that Jesus comes.
- Let me show you one last pictograph from the earliest writings of Chinese.
